“Appreciating the similarities we all have, whether able-bodied or disabled in our community, is just one piece to building an integrated future”

Join us as MRCI presents Ability Awareness training. Learn tips on valuing your peers & customers and develop a person-centered approach for workplace success.

Be our guest and enjoy a complimentary lunch ‘n learn

Space is limited - RSVP at: 651-600-0153 or register online at: [www.MyMRCI.org](http://www.MyMRCI.org)

For more than 65 years, MRCI has been developing the talents of individuals with disabilities in our community. At the encouragement of many of our employment partners and using best practices that have been developed over the years, MRCI is proud to be hosting an education series, called Coaching Capacity, for all. In partnership with your organization, MRCI can partner to present forward-thinking ideas to help you build capacity within your organization.
